Allison,

Nice to have fresh eyes look at the letter and enclosure as we all have seen it so many times it is difficult to see let alone catch any careless errors or inconsistencies. Thanks for taking the initiative to show the letter to NMFS.

All--

I shared the draft letter and assessment with NMFS to give them a heads up and make sure we were coordinating on NOAA messages to OR. They are supportive of the letter and feel it aligns with their concerns as well. They did catch a few typos in the enclosure (see attached). They also noted they had never seen the term "forestry roads" that appears in both documents anywhere else before and that "forest roads" is the standard terminology. I don't see any problem with this change but if folks feel otherwise, let me know. The forestry roads references are updated in the enclosure but we'd also need to update in the cover letter.

Good work all. I think the letter looks good.

Allison

Hi All,

If you have not done so already, please forward the attached cover letter instead of the one I emailed earlier in the day.

I made one change on the cover letter from "Additional detail on the approaches the state plans to take to address landslide prone areas and road density and maintenance" to "Additional detail on the approaches the state plans to take to address landslide prone areas and forestry roads" for consistency with the enclosure.

(See attached file: OR CZARA initial assessment 11 28 12 PM.docx)(See attached file: EPA NOAA Assessment Enclosure.docx)

Sorry,

Jayne

Subject: Attorney Review and Comments to Me by COB Dec 5 on EPA/NOAA's Assessment Cover Letter & Enclosure under CZARA Settlement Agreement

All:

I checked with everyone and those who planned to provide comments have done so. Since we finished early, I thought it would be great to receive all of the attorneys' comments **Ex. 6 - Personal Privacy**

Thanks for all who reviewed this document and for many of us, more than once. In my opinion, it is looking great.

Don & Allison,

Please pass on the attached EPA/NOAA's draft Assessment cover letter & enclosure under CZARA Settlement Agreement to the attorneys and request they return their comments to me with cc to the entire group if that is appropriate.

Kelly,

Please review.

Cheers,

Jayne
